

BIRKIN CONTRACT

Crafted for Spaces

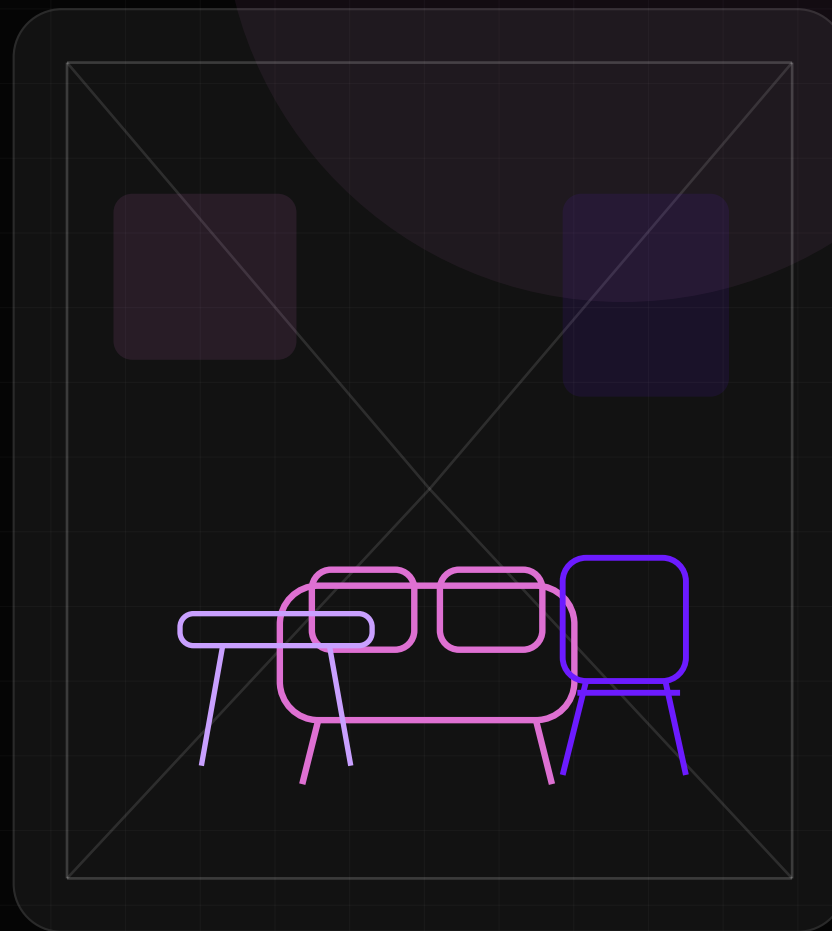

CUSTOM-MADE CONTRACT FURNITURE FOR HOSPITALITY & COMMERCIAL PROJECTS

Company Profile | 2026

ABOUT

Birkin Contract

Birkin Contract provides custom-made contract furniture solutions for hotels, restaurants, cafés, villas and commercial spaces. We support architects, interior designers, procurement teams and investors with project-based furniture sourcing, production coordination and tailored sustainable product solutions. We understand the project requirements, develop a material approach, coordinate production through a trusted manufacturing network, and support the process from quotation to delivery.

Project-based furniture solutions.

Custom-Made Production

Special dimensions, materials and finishes according to project requirements.

Contract Furniture Supply

Furniture groups for hospitality, restaurant, café, villa and commercial projects.

Project-Based Sourcing

Production alternatives matched to budget, usage, design intent and delivery schedule.

Production Coordination

Sample approval, production follow-up, quality control and delivery coordination.
